ALLOWABLE SUBJECT MATTER

1. Claims 1, 3, and 7 allowed.
2. The following is an examiner's statement of reasons for allowance: The prior art of record fails to specifically teach or suggest the combination of an information reproducing apparatus for reading out data from a recording medium having audio data and video data, comprising, inter alia, a data analysis processing unit for analyzing the audio data according to speed change information from the system controller; converting the decoded audio data into text data and for improving the accuracy of sound recognition by suppressing unnecessary noise; a data table for registering the text data and the corresponding audio data; and a data conversion processing unit for integrating the timing of the audio data from the data analysis processing unit with the timing of the audio data from the data table, and searching audio data from the data table nearest to the audio data from the data analysis processing unit by comparing each audio data and receiving the text data corresponding to the audio data from the data table.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
